

## CAREERS

Degree, Skills, or Experience Needed for Beginning a Job in this Field:

The Modern European Studies Program involves the mastery of the skills associated with a liberal arts education and especially involves a broad knowledge of Europe from the 16th Century to the present.

Kinds of Work Available to Graduates: The Modern European Studies major prepares students either for graduate work or professional work in fields that focus on Europe.

Potential Employers: This broad, interdisciplinary program will serve as a background for numerous graduate programs or for positions in business, government, educational, journalistic and informational agencies concerned with European affairs and culture.

For more information on potential careers visit the [Career Center's](#) website.
