

FACULTY PROFILE

## **Paul Nord**

### **Technical Support Specialist**

NSC 222464-6848 [Paul.Nord@valpo.edu](mailto:Paul.Nord@valpo.edu)

### **Website**

<http://www.physics.valpo.edu/staff/pnord/>

### **Education**

BS, physics - Valparaiso University 1991

### **Areas of Specialization**

Computer control systems for nuclear and particle physics experiments

### **Research Interests**

Nuclear and Particle Physics

### **Current Research**

Magnet design and control for the Neutron EDM/MDM experiment <http://www.physics.valpo.edu/facultyResearch/nucl.html#The%20EDM%20Experiment>

Control software for STAR at Brookhaven National Lab <http://www.star.bnl.gov/>

### **Professional Affiliations**

- Physics Instructional Resource Association (PIRA) <http://physicslearning.colorado.edu/PiraHome/index.htm>
