

FACULTY PROFILE

Stan Zygmunt

Chair, Associate Professor

Neils 139219-464-
5380 Stan.Zygmunt@valpo.edu

Website

<http://physics.valpo.edu/faculty/szygmunt>

Education

Ph.D., Electronic Materials -
Massachusetts Institute of Technology
1988 B.S. Physics, B.S. Materials
Science and Engineering -
Massachusetts Institute of Technology

Research Interests

Computational analysis of the electronic
states of atoms and clusters.

Current Research

Oxidative dehydrogenation of propane
to propene using vanadium oxide
catalyst
