VALPARAISO UNIVERSITY
ENGINEERING

The Valparaiso University Mechanical Engineering Department invites applications for a visiting Assistant or Associate Professor position. The successful candidate(s) will have an earned Ph.D. in Mechanical Engineering or related discipline, permanent employment status in the U.S., and an interest in teaching undergraduate courses and laboratories in an undergraduate mechanical engineering curriculum. For more information about our program, see our website, http://www.valpo.edu/college-of-engineering.

The Mechanical Engineering Program is exclusively undergraduate and ABET accredited. Candidates should be interested in working at a university engaged in issues in Christian higher education in the Lutheran tradition. Successful applicants will demonstrate a commitment to cultural diversity and the ability to work with individuals or groups from diverse backgrounds. In addition to strong academic qualifications and excellence in teaching, the University highly values experience in working across cultural and other significant differences.

Applications received by April 30, 2016 will receive full consideration. Please submit an application letter, detailed resume, statement of teaching and research interests, and the contact information for at least three references to: http://apply.interfolio.com/33771.

Valparaiso University does not unlawfully discriminate and aims to employ persons of various backgrounds and experiences to develop and support a diverse community. Its entire EOE policy can be found at http://www.valpo.edu/generalcounsel/equalopportunity/index.php. Employment will require a satisfactory criminal background check.
