

ASCE VU Chapter Minutes  
General Meeting 02/02/2004  
During Chapel Break

- 19 students attended
- Prof. Leitch and Prof. Aljobeh attended
  
- Courtney is in charge of the Engineering Design Paper Contest
- Peter and Dave went to the workshop for student chapter leaders in New Orleans
  - They plan to also go to the regional conference to check things out.
  - We need project ideas for our chapter- pair up with other organizations like Habitat or APO?
  - We need a mission statement- what are our goals as a chapter?
- We want to sell FE review manuals next week during Chapel Break
  - Volunteers:
  - Brett I.- Tuesday
  - Crystal, Courtney- M,W,F
  - Rachel H.- any day
  - Robby- Thursday
- We need to have an activity for TED week.
  - Dave had the idea of using paperclips and notecards to build something to hold a container of water
- Kari and Courtney spoke about the TED skit
  - The plan is to do a mockumentary
  - Sent around sign up sheet for actors
- Brett I. spoke about the Student Bridge
  - Meetings this Wednesday at 5:00 and Thursday at 4:15
- We brainstormed our goals and ideas for our chapter, such as:
  - Highway cleanup
  - Join with Habitat in building a house
  - Field trips
  - Joint dinners
  - Student Bridge Project
  - Brown Fields Seminar
  - Regional conference
  - Competitions-
    - AGC- American General Contractors has competitions
  - Join with high school groups
    - Building Big- go help high school students
