

Great Lakes Meteorological Conference

The Great Lakes Meteorology conference is a broad student run conference featuring speakers from many aspects of the Meteorology field. This year we have confirmed speakers from the broadcast and aviation sector, emergency management operations, and the NWS; with several other potential speakers still awaiting final confirmation. This conference also provides great networking opportunities not only with the speakers, but with other agencies that may attend. The conference is supported in part by the University Student Senate, although it will be hosted off campus this year at Strongbow Inn. The conference is a one-day event, (9am to at latest 7pm), and your registration fee includes lunch. It is of course open to any student, faculty, industry representative, or meteorologically minded individual, however advance registration required.

Our 2012 AMS/NWA Conference will be held March 31st, 2012 at Strongbows Inn. To attend the conference you must first register using the form below. *After submitting the form*, you have several payment options. The first option is to pay online via PayPal (which allows credit card and e-check purchases). To use PayPal, click the Pay Now link located at the bottom of this page. The other option is to send cash or a check made payable to AMS/NWA to treasurer Adam Brainard. His mailing address is:

Adam Brainard
1509 Chapel Drive Unit #973
Valparaiso, IN 46383

The cost for early registration, regardless of payment method, is \$50. Early registration ends March 1st, 2012. After this time the registration fee becomes \$65, and all registrations must be completed by Wednesday, March 21, 2012, and money must be received by Wednesday, March 28, 2012.

Note to first time attendees: Thank you for your interest in our conference! Since this is your first experience with our conference, we will refund \$5 back to your account following the conference date!

If you have any questions about this form, please contact Adam.Brainard@valpo.edu.
