Subject: Student Concerns Regarding OneCard in bookstore

Dear Joanne,

It has come to the attention of the Student Senate of Valparaiso University from several students that they wish to be able to use Crusader Cash in the bookstore to purchase items. Currently the policy stands that the OneCard is only able to be used in the bookstore to purchase books and school supplies. However, students feel they should be able to use their Crusader Cash to purchase other gift items from the bookstore.

The bookstore manager, Lori Harvey, is in full support of students being able to use their one card to purchase gift items at the bookstore. She is willing to work with IT and Follett to allow the system to accept Crusader Cash. Student Senate supports using Crusader Cash to purchase other items.

In closing, the Student Senate is asking the OneCard office to create a solution in which students will be able to use their Crusader Cash to purchase gift items at the University Bookstore. Please feel free to contact us if there are any questions or concerns on this issue.

Thank you for your consideration,
