

Encumbrance Request Information

Where to Find Your Budget:

- Click on “Drive” on the apps section when you are in your Valpo email account. Click on “Shared with Me” and your budget should appear as the title of your organization. If you utilize your Drive on a regular basis, you may want to type the name of your student organization in the search bar to find your budget.

How to fill out an Encumbrance Request:

1. Go to <http://www.valpo.edu/studentsenate/forms/index.php> and download the encumbrance request excel file. You may also pick up a blank encumbrance request outside the Student Senate office in the Student Organization Suite.
2. Fill out the encumbrance request *completely*. No line should be left blank. If pertinent information is missing, the encumbrance request may be returned directly to your student organization’s mailbox in the Student Organization Suite without contacting you.
3. Staple the original receipt to the encumbrance request sheet and get the proper signatures to validate the credibility of the request.
4. Drop off the completed form and attached receipts to the Student Senate “Drop Box” drawer in the Student Organization Suite in the Union.

Miscellaneous Information/Facts:

- It takes approximately 7-14 business days for the request to be processed by the finance office from the date that is entered on your budget as student senate's entry.
- All non-university reimbursements need to have a W-9 on file with the University or attached to the encumbrance request. In addition, any contractual documents need to be attached to the encumbrance request.
- Fuel Reimbursements

- The Finance Office has graciously modified their requirements and allowed Senate to reimburse fuel by gas receipt **only**. Separate requests must be completed for each individual receiving a fuel reimbursement as well as the fuel receipt attached.
- Payment Delivery Options
 - If you have the check sent to the Student Senate office, you will receive an email from either the Executive or Assistant Treasurer letting you know of its arrival.
 - If you choose to pick up your check from the finance office, you may contact them and inquire whether your check has been printed.
 - If you have the check mailed directly to an address, you should hopefully receive the check within 21 days, but this is not guaranteed.
- Invoices
 - Remit Address – Please make sure to know where the check needs to be sent in order to pay the invoice. If there is no address, the request will not be processed. In addition, the amount of the check must be equal to or less than the amount declared on the invoice.
 - Please make sure that you submit your requests in a timely manner as if the payment is not received by a certain date, you will be charged more and have to submit another encumbrance request.
 - If a copy of the invoice has to be attached to the check, you must submit two copies of the invoice with your encumbrance request and make note of this in the comments section of the encumbrance request.
- Finance Office Contact
 - If you have any questions that you believe Student Senate does not know, feel free to contact Melissa Schenck at melissa.schenck@valpo.edu.
