

Study Abroad Photo Contest | Valparaiso University

SUBMISSION FORM – Deadline January 19th, 2012 5:00pm

(Winners revealed at the Re-Entry Seminar on Saturday, January 28)

- The photo contest is open to any student who has participated in and has received credit through a VU study abroad program.
- Photos must be original work and have been taken by the entrant during study abroad, though not necessarily limited to the program site. For example, a Reutlingen Program student might capture a beautiful image while traveling to Greece.
- Photos will be judged by a panel of faculty, students and professional artists, (Office of International Programs staff will not judge photos) and will be considered for prizes in three categories:
 - **People:** Intercultural Experience
 - **Places:** Sense of Place/Postcard Memories
 - **Nature:** Flora/Fauna
 - **Valpo:** Students in Action
- Students may submit up to four photos, one in each category.

The "Valpo" category is one that is of great benefit to Office of International Programs and the University overall for marketing purposes. Photos in this category have potential for publication in a variety of campus mediums. Show some school pride and snap away!
