

WELCOME PARENTS!

Information Session for Parents:

The Office of International Programs invites you to attend the following session on study abroad programs:

Family Weekend, October 09, 2010

[“Study Abroad—What Parents Need to Know”](#) Christopher Center for Library and Information Resources, Room 205 Studying abroad can be exciting for your student, but you may have a lot of questions about sending your child overseas. Come hear about VU’s study abroad opportunities and learn all the steps from initial planning to your student’s return home. Presented by Julie Maddox ’04, ’05 M.S., director of study abroad programs.

Other Resources

Whether you are helping your son or daughter choose a program, preparing him/her for departure, or welcoming your child home, the following resources may be of assistance.
