### **Mini Grantees**

The Tobacco Education & Prevention Coalition for Porter County awards small mini-grants to community partners. The purpose of these grants is to provide an opportunity for new or enhanced projects that build partnerships, address issues of youth access, promote cessation, and raise awareness about tobacco use and secondhand smoke exposure. Current community partners who have received mini-grants to assist in these areas include:

[Boys & Girls Club of Porter County](#)

[Portage Township YMCA](#)

[Valparaiso City Police GREAT Program](#)

[Relay for Life of Valparaiso](#)
