

SOUL PURPOSE

The Soul Purpose liturgical drama troupe performs its original plays for worship services on the VU campus and around the US. Recent tours have taken them to Florida, the East Coast (Maryland, Delaware, Connecticut, and New York), and to the Pacific Northwest. Open to dramatic and musical performers by audition, the troupe also performs plays for Sunday school and Bible classes, adult forums, spiritual retreats and dinner theatre occasions. Soul Purpose can also make creative presentations of Lectionary readings, lead discussions about campus life, and suggest prayers and hymns to accompany its plays.
