The

Career Center provides students with career counseling, resume assistance and internship/co-op information. Additionally, the Career Center organizes an annual job fair for VU students in the Fall.

The Career Center staff are committed to guiding students as they progress through their educational experiences and seek meaningful vocations.

Our goal is to help you achieve your goal and our website is designed to support your efforts. Many of our resources—including resume templates, job listings, internship opportunities, and co-op forms—are available on the site.

Our staff is also available to assist you in person at any stage of your career development. Feel free to stop by the Career Center. We look forward to seeing you soon!
