

EMERGENCY PROCEDURES

In case of an emergency within the Harre Union, information about what to do will be disseminated in a variety of ways. It is important that you follow all instructions and cooperate with the Union staff and all other emergency personnel.

Please follow the following premise:

- Siren sounds outside go inside
- Siren sounds inside go outside

In case of eminent weather danger everyone will be instructed to go to proceed to the basement, which is designed for safety and shelter. In the case of fire or other emergencies you will be instructed to vacate the building immediately. Please do not re-enter the building until you are instructed to do so by the Union Staff or VUPD. It is important that everyone follow instructions and adhere to all emergency procedures.

If you are in a meeting room or office in the Union you will find evacuation maps with evacuation instructions. Please follow the instructions and follow the suggested route. Please remember during an emergency you should not use the elevators and use the stairs only. We thank you for your cooperation.
