

High School Liaison Contact Program
HIGH SCHOOL LIAISON CONTACT PROGRAM

Thank you for participating in the VAN's High School Liaison Contact Program! We hear consistently that your outreach contributes to students' decisions to attend Valparaiso University. Once we receive feedback from you about your conversations, the synopsis is entered into the student's file and is shared with the admission counselor working with that student. We appreciate the time and effort you put into this program!

Your name Your email

Student's Name Student's Hometown and State

Date and Method of Contact With whom did you speak (e.g. student, parent, sibling) Rate the student's interest in VU If known, tell us the other colleges the student is considering

Is any specific follow-up needed (e.g. call from a financial aid counselor or professor) Additional Comments
