College Fairs

Each year Valparaiso University receives hundreds of invitations to attend college fairs around the country. These events, most often hosted by area high schools or professional associations (i.e. NACAC), in many cases will encourage Valpo to send volunteers as representatives when admission counselors are not available. That's when the VAN steps in! This past recruitment year VAN members covered over 100 college fairs for us.

Area Receptions

At select times throughout the year we like to take Valpo to prospective students, and VAN assistance with this type of reception is appreciated! We have had VAN members offer receptions at their golf club, serve as keynote speakers at a local park reception hall, and host dessert events at their homes. If you are interested in discussing a potential prospective student reception in your community, email the VAN Director!
