

## VAN RESOURCES

There are times when you may need to use the resources below to help as you spread the word about VU!

The viewbook is a great reference tool. The catalog can answer almost any general question that can't be answered by the viewbook or if the VAN staff is unavailable to assist you. The power point presentation can be downloaded to your laptop to take to college fairs or Valpo Sunday presentations. The referral form should be used to provide us with the name and address of a prospective student you'd like us to help you recruit. Use the link to our admission counselors' territory assignments to learn more about the counselor working with students in your community.
