

FEATURED VAN MEMBER: **SUBMIT STORY**

Excited about sharing your Valpo and life experiences with prospective students and old friends? Being a Featured VAN Member is for you!

What is involved in being a Featured VAN Member? It is actually quite simple. After completing this form, your information will be compiled into a story that will feature your Valpo experience and journey to your current stage in life, especially focusing on how Valpo has assisted you along the way. Your story will appear on the VAN homepage for a while, and then be archived with other past Featured VAN Members. That's it!

If you feel uncomfortable answering any questions on this form, you may simply leave them blank. If you have any questions, contact admissions.network@valpo.edu.
