

Meet some of our VAN Members and read about their careers and Valpo stories through our Featured VAN Member articles!

- As a member of the Valpo Admission Network, you know all about sharing your Valpo story to prospective students and friends alike. Each story is as unique as the person behind it. With each Featured VAN Member, you can see where life has taken them past college, and how their Valpo experience has contributed to their success. The VAN is also a family, and you can keep up to date with other members by reading their stories.

If you would like to contribute your story to the site, [click here](#) to fill out the Featured VAN Member form. Your help is greatly appreciated!

- We are working on moving our VAN Member Stories over to Featured VAN Member articles, and making sure they are up to date. At a later date, the archive will be dissolved, but all the stories will appear in the Featured VAN Member archives.
