

## PAYMENT OF PARKING AND TRAFFIC FINES

Payment of fines for traffic and parking violations must be made at the cashier's window in the Office of Finance in Kretzmann Hall within seven days of issuance. Employees with unpaid fines are subject to having their parking privileges revoked.

Students with outstanding violations at the end of each semester will have their records reviewed by the Parking and Traffic Committee to determine whether or not their driving privileges should be revoked. Students with unpaid fines will have their fines recorded as a student account encumbrance thereby restricting registration and release of records until the fines are paid.
