## The Christ College Freshman Program Drama Workshop and Freshman Production

The Christ College Freshman Program is a two-semester sequence of interdisciplinary honors courses titled *Texts and Contexts: Traditions of Human Thought*. Throughout the course students read selected great works of history, literature, drama, philosophy, and religion and consider closely the ideas that have shaped a range of traditions. Ideas are explored in many ways—through critical reading and close analysis of texts; through careful research and focused expository and persuasive writing; through scholarly lectures, faculty-guided small group discussion among classmates, and formal public debate; and through creative dramatic and musical expression.

This last means of exploration—creative dramatic and musical expression—is guided and molded during the fall semester in the weekly **Freshman Program Drama Workshop**. In just ten weeks of intense collaboration, the 65 students who make up the honors college freshman class write, stage, and perform an original 90-minute theatre piece with music based on ideas and themes encountered in *Texts and Contexts*. **The Christ College Freshman Production** is performed for the campus community and the public in mid-November each year.

Since 1980 the **Freshman Program Drama Workshop** and **Christ College Freshman Production** have been directed by Professor John Steven Paul, PhD, Chair of the Department of Theatre and Television Arts, and Chair of the Division of Visual and Performing Arts.
