# The CC Freshmen Would

## Like to Welcome...

...roommates, CC students, mothers, fathers, sisters, brothers,

professors, neighbors, friends, farmers, disciples, dogs, midgets, movie lovers, Eskimos, water polo players, sight-challenged people, people who own a spoon, all red headed people, Grateful Dead fans,

everyone who has attended one of the Woodstocks, all **WU** basketball fans, people who drove more than four hours to see this,

anyone without a vowel in their name, anyone who has ever had bronchitis, people who know what "barad" means, anyone who has never ridden a bike before, people who believe in Santa, the Easter Bunny, and the Tooth Fairy, anyone who has ever been to a monster truck rally, anyone who can say a tongue twister involving a tooter who

tooted the flute, people who like the number 36, fans of country music, anyone who hates toll booths, anyone associated with the production of video games, people who have read *The Cat In The Hat*, people who liked *Pulp Fiction*, Cub fans, people from

Shtetnstein, anyone who has ever fallen down the stairs, people who can touch their nose with their tongue, anyone who has sat in cold weather to support a team, people who can't dance, people who think

"stupider" is a word, people who hold the door open, people who have hitch-hiked, anyone plagued by the 42 conspiracy, people who have

been subjected to papers due on Saturdays, anyone who's addicted to tea, aim, or men, anyone who thinks pigga is a well-balanced meal,

people who have gotten less than four hours of sleep per night for over a week consecutively, lovers of the "Justin Dance", people who went "down to the river", anyone under 3 feet tall, and anyone with a happy disposition.

Thank you for coming and enjoy the show!
