## The Story

At the turn of the twentieth century, young Gianna emigrates from Italy to New York in search of a new life. She meets Leo, an immigrant factory worker, who takes her to a boarding house. In order to support her family, Gianna finds work in a factory, and she falls in love with Leo along the way. However, Gianna's feelings change when she realizes that she wants to become a famous singer and she falls in love with Walt, a successful club owner. In the end, Gianna must choose between the two.

### Lyrics for *Lullaby* (translated from Italian)

The sunlight is leaving      My darling one, bless you  
It's time to be sleeping      And little birds nesting      And may God protect you  
The lark is singing      With parents beside them      My love will stay with you  
Good night, good night      Good night, good night      Good night, good night
