Dead Weight

When journalist Sophia Morris dies and is brought to Death Inc., the employees try their best to get her to the afterlife as quickly as possible. But Sophia's scales prove to be perfectly balanced, prompting an unprecedented opportunity for Sophia to affect her fate. Will it be enough to send her upstairs? Or will her actions drag her downstairs in the end?

In just ten weeks of intense collaboration, the students who make up the honors college freshman class write, stage, and perform an original 90-minute theatre piece with music based on ideas and themes encountered in their interdisciplinary honors courses.
