

Christ College Students to Attend 2018 National Conference on Undergraduate Research

Seven Christ College students had papers accepted for the 2018 National Conference on Undergraduate Research (NCUR). They traveled to the 32nd National Conference at the University of Central Oklahoma, Edmond, Oklahoma on April 4-7, 2018. More than 3,000 undergraduates from more than 300 colleges and universities attended the three-day event. All work was competitively reviewed and selected for presentation at the conference by experts in the field.

This trip is made possible by generous contributions of alumni and friends to the Christ College Dean's Annual Fund.
