

LAUREN ZEEB

Civil Engineering Major

*After graduation:
Working for EMCS Inc. in
Indianapolis, IN as an entry level traffic engineer.*

Valpo Experience

My favorite memory at Valpo was when ASCE hosted the Great Lakes Student Conference in spring 2019, over 500 students and faculty from 18 different universities came to Valpo. I was a part of the planning committee for a year and a half and the event was super successful and I couldn't be more proud of our ASCE chapter.

Research

Completed Evaluation of Travel Time Reliability Bluetooth Study spring 2018, Campus parking study fall 2018, and worked on video verification spring 2019 all for Professor Jay Grossman.

Internship

Lochmueller Group (South Bend, IN)

Honors and Awards

ASCE Indiana Section Student Award, Dean's List (4 semesters)

Extracurricular Activities

*American Society of Civil Engineers
Kappa Kappa Gamma*

Favorite Quote

"Difficult roads often lead to beautiful destinations"
