

Why Students Choose Valparaiso University

- ✓ Outstanding reputation
- ✓ Faculty members are available, approachable, successful in their own right, and foster success in their students
- ✓ Student-centered
- ✓ Strong emphasis on faith and community
- ✓ No TAs teaching the courses
- ✓ Graduates get well-rounded, liberal arts experience in addition to their professional college experience, giving them an advantage over peers at other universities
- ✓ Spiritual environment fosters “healthier,” well-rounded students (morally and ethically based)
- ✓ Faith-based curriculum
- ✓ Opportunities for undergraduate students to do research
- ✓ Valpo graduates are in demand
- ✓ Opportunities outside the classroom: Medical Mission trip, overseas studies on global healthcare in China, Thailand, Ireland, Costa Rica/Panama, Germany, Italy, and Chile including travel fellowships
- ✓ Outstanding quality of the faculty; specialists and experienced in their fields
- ✓ Valpo graduates are noted for their personal integrity, willingness to serve others
- ✓ Guaranteed clinical placement when admitted to the 5-Year PA Program
