A Year In Review

The 2017-2018 academic year was incredibly successful for the Valparaiso University fraternity and sorority community. The sorority community celebrated 100 years of sisterhood at Valparaiso University with a large celebration on Homecoming Weekend including a Centennial Celebration Luncheon! In addition, we welcomed the men of Kappa Alpha Psi Fraternity, Inc. as the first historically African-American fraternity or sorority to be established at Valparaiso University. With the addition of Kappa Alpha Psi, we are now 16 chapters strong with a community membership that continues to grow!

The fraternity and sorority community increased its commitment to community service with more than 19,000 hours completed, which is an increase of 37.4% over the previous year. In addition, the fraternity and sorority community raised more than \$133,500 which is a 52.7% increase over the previous year. Fraternity and sorority members are committed to giving back and this is evident in the significant increase in both of these areas.

Membership growth was also strong in the 2017-2018 academic year, with chapter membership at an all-time high. More than 270 men and women joined the fraternity and sorority community this year, bringing our total membership to 814. The community has grown more than 20% in total membership over the last five years, and specifically sorority membership has grown more than 34%.

The fraternity community continues to lead men on campus in academics with an average 3.183 GPA, and the sorority community tops the all-women's average with a 3.337. In addition, more than 40% of all fraternity and sorority members achieve a 3.5 GPA or above each semester. Members are also involved in a wide variety of campus activities, and more than 98% of members documented their 2017-2018 involvement.

Finally, the Association of Fraternal Leadership and Values (AFLV) once again recognized the Panhellenic and Interfraternity Councils for excellence. The Panhellenic Council received the Sutherland Award for Council Excellence for the fifth year in a row, which is almost unprecedented in AFLV history! The Interfraternity Council received the Jellison Award for Council Excellence, which is the third time in the last five years for the Council to receive this recognition.

The future is bright for the Valparaiso University fraternity and sorority community and the past year provides us with a glimpse of what is to come. We are very excited to continue our growth and success in conjunction with Valparaiso University.

2017-2018 Highlights

Valparaiso Celebrates a Century of Sisterhood in 2017

The sorority community celebrated 100 years of sorority life at Valparaiso University during Homecoming 2017. The Panhellenic Council had the opportunity to welcome back hundreds of sorority women, and each had the chance to see what sorority life is like on campus today. The women were able to tour the new sorority housing complex as well as sport their affiliation buttons all over campus. It was wonderful to witness countless sorority women and sisters reconnect with one another.

To cap off the Centennial Celebration, the Panhellenic Council hosted a Century of Sisterhood luncheon. The luncheon included a presentation of photos from formals, SongFest, and events in Scheele Hall. The women all cheered when they saw their group or recognized themselves or a friend in a picture. We heard from Dolores Ruosch, Jennifer Jones-Hall, and Carrie Whittier who all have advised the sorority community from 1961 to today. Each spoke of the memories they have, and their experiences working with the sororities on campus.

Kappa Alpha Psi Fraternity, Inc. at Valparaiso University

The Valparaiso University fraternity and sorority community officially welcomed Kappa Alpha Psi Fraternity, Inc. to campus in May 2018. With six founding fathers, Kappa Alpha Psi is the first National Pan-Hellenic Council (historically African-American) fraternity or sorority to join the Valparaiso fraternity and sorority community. The men of Kappa Alpha Psi hosted their first New Member Show with more than 500 people in attendance, and will begin full chapter operations in the fall 2018 semester.

Inaugural Laurel Wreath Society Inductee

The Panhellenic and Interfraternity Councils had the pleasure of naming Dolores Ruosch, otherwise known as "Dean Dody," as the inaugural inductee into the Laurel Wreath Society. The Laurel Wreath Society was created to publicly honor a Valparaiso University fraternity or sorority alumni who has contributed to philanthropic initiatives and/or public service and a commitment to advancing the fraternity and sorority experience at a local or national level.

Dean Dody was an advocate for women while she was at Valpo and worked towards creating a way for women to share their voice. Dean Ruosch served as the Dean of Women for more than 30 years, including advising the sorority community and living in Scheele Hall. It was wonderful to have Dean Ruosch back on campus to as part of the Centennial Celebration and to honor her in this special way.

2017-2018 Highlights

Stonebraker to serve as a 2018-2019 Chi Omega National Leadership Consultant

Elise Stonebraker will be serving as a 2018-2019 National Leadership Consultant for Chi Omega Women's Fraternity. Elise will be working alongside 16 other women who will visit different Chi Omega chapters across the country to evaluate their performance, help correct problems, set goals, create action plans, and act as a motivator for their chapter.

Elise served as the Chi Omega Chapter President at Valpo in 2017 and was named the Outstanding Sorority Emerging Leader for 2016-2017 and the Outstanding Sorority Chapter President for 2017-2018. Elsie also received the Chi Omega Jan Boyd Blackwell Leading with Integrity Award in 2017. Elise shared that she is "so excited to be given the opportunity to give back to an organization that has given me so, so much."

Sigma Chi Member Receives the 8th Founder Award from National Fraternity

Sigma Chi brother, Alex Brewer, was awarded the Sigma Chi 8th Founder Award which is described to be a "recognition for the brother who does not seek recognition." It is an award given to a hard working brother that does not look to be praised.

As a chapter, the men of Sigma Chi were tasked with nominating someone from the chapter and sending their nomination to the national fraternity where they decided a winner for the state of Indiana. Immediately, Alex Brewer was nominated. "Alex Brewer was the perfect candidate because he is always willing to help with anything Sigma Chi related and he attends almost all of our chapter service events." Alex has also been a participant on the last two fraternity and sorority spring service trips.

Twelve Outstanding Seniors Receive University Leadership and Service Award

Valparaiso University honored 18 graduating seniors with the Outstanding Leadership and Service Award in April, and 12 of the award recipients are members of fraternities and sororities. Each one of these members has made their mark on their chapter as well as the fraternity and sorority community, and we celebrate each of their accomplishments!
