

## Hello, Friend!

Greetings from Valparaiso University! As all of you know, October is the time in Valpo when the leaves start changing color, the farmers in the area harvest their crops, and the nights get colder. Also, new students from around the world are settling in to their new home at Valpo!

We hope the overview of beginning-of-semester events below brings back fun memories for you, and also don't miss the opportunities to keep in contact with fellow international alumni through our new [International Alumni webpage](#) and the [ValpoConnect International Group](#).

-The OIP Staff

## Welcome to Valpo!

In August 2019, we welcomed nearly 90 new international students from 25 countries. Check out the fun photos of international student orientation.

## VISA Food Bazaar at Homecoming

No event at Valpo is tastier than the VISA International Food Bazaar! The 2019 cooks didn't disappoint with amazing food from all over the world. Also, the "Welcome Home" video below showcases the rest of Homecoming, including a few clips from the Food Bazaar.

## International Alumni Webpage

The Office of International Programs has created a webpage to highlight our international graduates. [Click here](#) to see alumni stories, past newsletters, and information on how to stay connected with Valpo

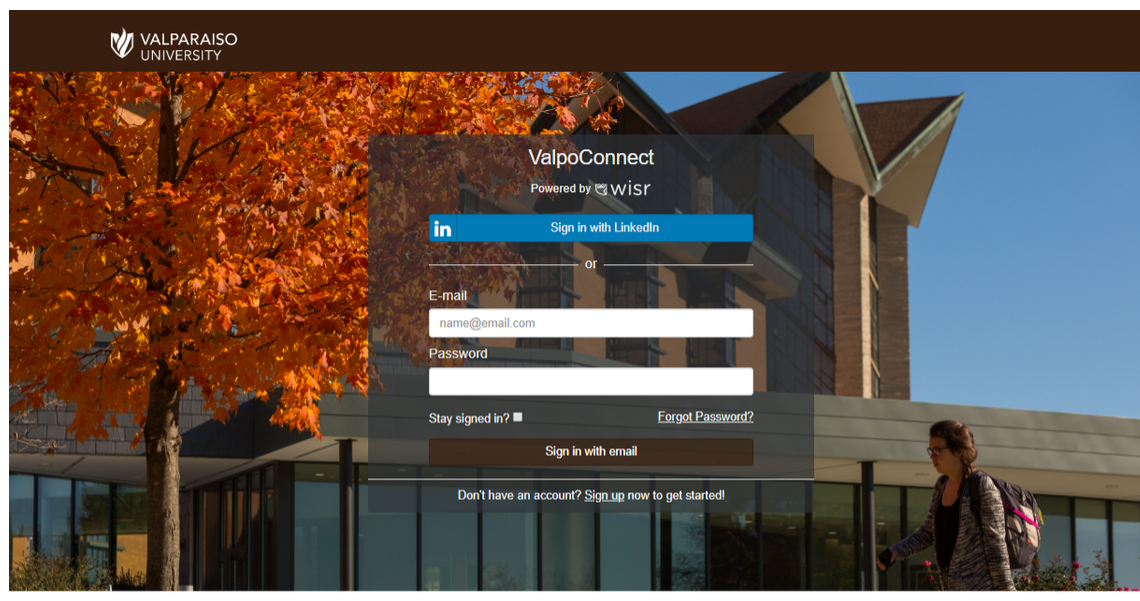

In particular, we would really love to hear where you've been since you graduated from Valpo! Take a minute to submit your story at the yellow link on [this page](#).

## ValpoConnect - International Group

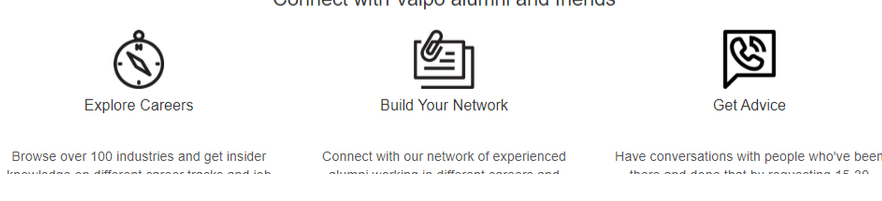

The Valpo Career Center and Alumni Relations office partnered to set up ValpoConnect, a platform for Valpo graduates to connect with each other as well as with current students.

**An International Alumni community group** has been set up within ValpoConnect especially for international alumni and students. We envision this community becoming an excellent resource for Valpo internationals to network with each other, wherever they may currently be living around the world

Click on the picture below to go directly to the ValpoConnect login page, and join the International Alumni community today!
