Ben Krikke MVC Scholar-Athlete First Team, Third Straight Season

For the third consecutive season, Valparaiso University men's basketball senior & international student Ben Krikke (Edmonton, Alberta, Canada / Jasper Place) is a member of the Missouri Valley Conference Scholar-Athlete First Team, which was announced by the league office on Monday.

Krikke is the conference's only three-time MVC Scholar-Athlete First Team honoree this season. He was one of five student-athletes selected for the squad, which was voted upon by the league's sports information directors based on academic and athletic qualifications.

The 6-foot-9 forward certainly meets the criteria as he owns a 3.78 grade point average in finance to go along with a league-leading scoring average of 19.6 points per game overall. In league play, he finished as the MVC scoring king at 21.0 ppg.
