Forgot Your ValpoNet Password?

1. Visit our Account Management System (AMS) at [apps.valpo.edu/ams](http://apps.valpo.edu/ams) in your Chrome browser page, and click the “Reset My Password” link.

2. In the space provided, type the same ValpoNet username you use to log in to Blackboard, DataVU, and campus machines, and click “Submit.”

For assistance, the IT Help Desk is located on the first floor of the Christopher Center. Contact the Help Desk at 219.464.5678.
3. Based on your preset password recovery options, choose one of the three options listed to receive your password reset link.

4. Using the link that was sent via your preferred recovery option, provide a new password that you can remember (keeping in mind password strength), confirm it on the following line, and click “Update.”

5. When your password has been successfully reset, click “Logout” at the top right corner of your browser window.
