PROGRAM: Summer Smart, Summer Fun – Valpo Campus

GENERAL DESCRIPTION:
*The Best of Biology*
Buckle your seatbelts and get ready to enjoy the multi-faceted world of Biology. Through hands-on experiences and outdoor activities, campers will have the chance to explore everything that Biology has to offer. Campers will have the chance to learn what it means to be living, make their own cell, build a model of DNA, and use a game to simulate predator/prey relationships.

GRADE LEVEL: 3rd – 4th grade

REQUIREMENTS: 1) Prerequisite: ED 357; 2) Good standing with the MSEEDE Program

STIPEND: $10 per hour (minimum of 120 hours, maximum of 167 hours, in consultation with your mentor). Housing will also be provided on VU’s campus.

HOW TO APPLY: Approval form is available on the MSEEDE website (http://www.valpo.edu/mseed/for-current-students/).

DEADLINE: Approval forms are due the Friday following spring break. Applicants will be notified by April 1st.

QUESTIONS? Please contact Jennifer Easthope (Jennifer.Easthope@valpo.edu | 464-5982).
