

Returning Student On-Campus Housing Application Guide

All Residential Life/Housing applications and forms are found in each student’s Housing Self-Service. To log onto Housing Self-Service, first visit DataVU (datavu.valpo.edu).

On the homepage of the student menu of DataVU, you’ll see the section labeled “Meal Plans, Housing & Parking” (pictured below).

To access any housing application available to you, you’ll click on “Housing and Meal Plan Self-Service” and then you’ll be asked to confirm that you would like to log into Housing and Meal Plan Self-Service.

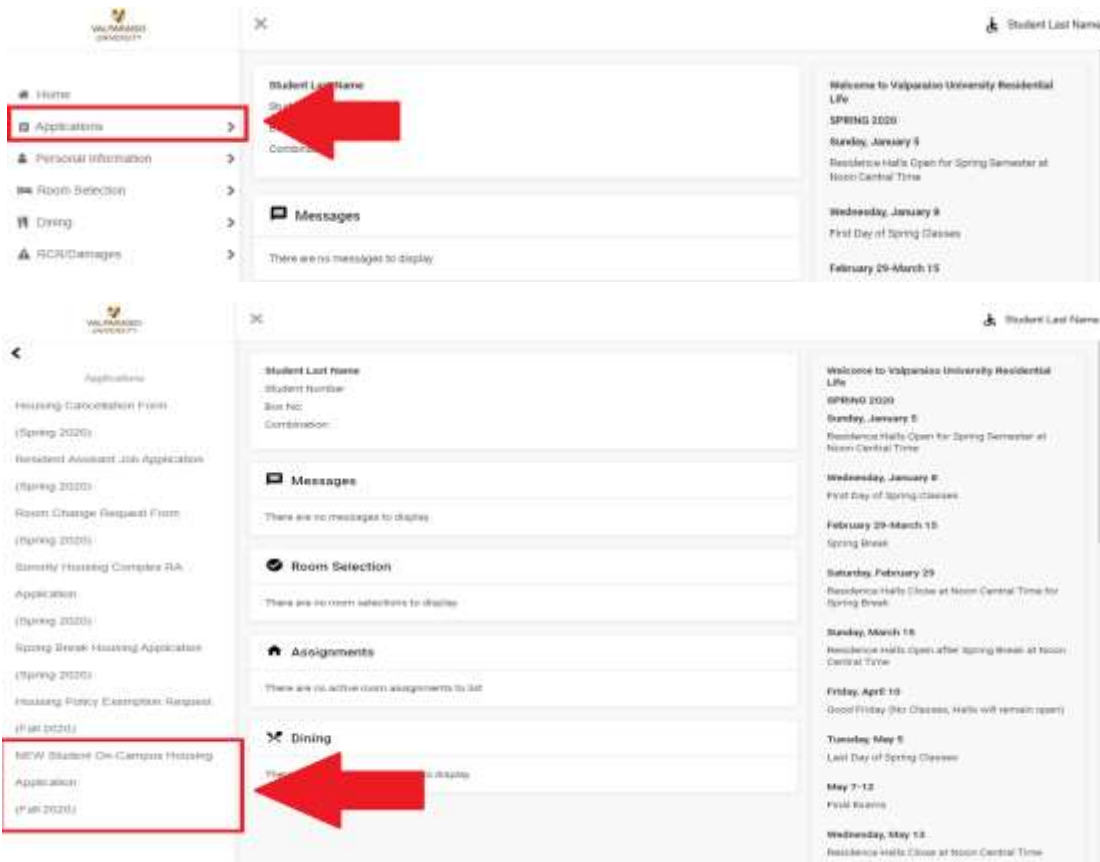

Once your log in information is confirmed, you'll be taken to your "Housing Self-Service" homepage.

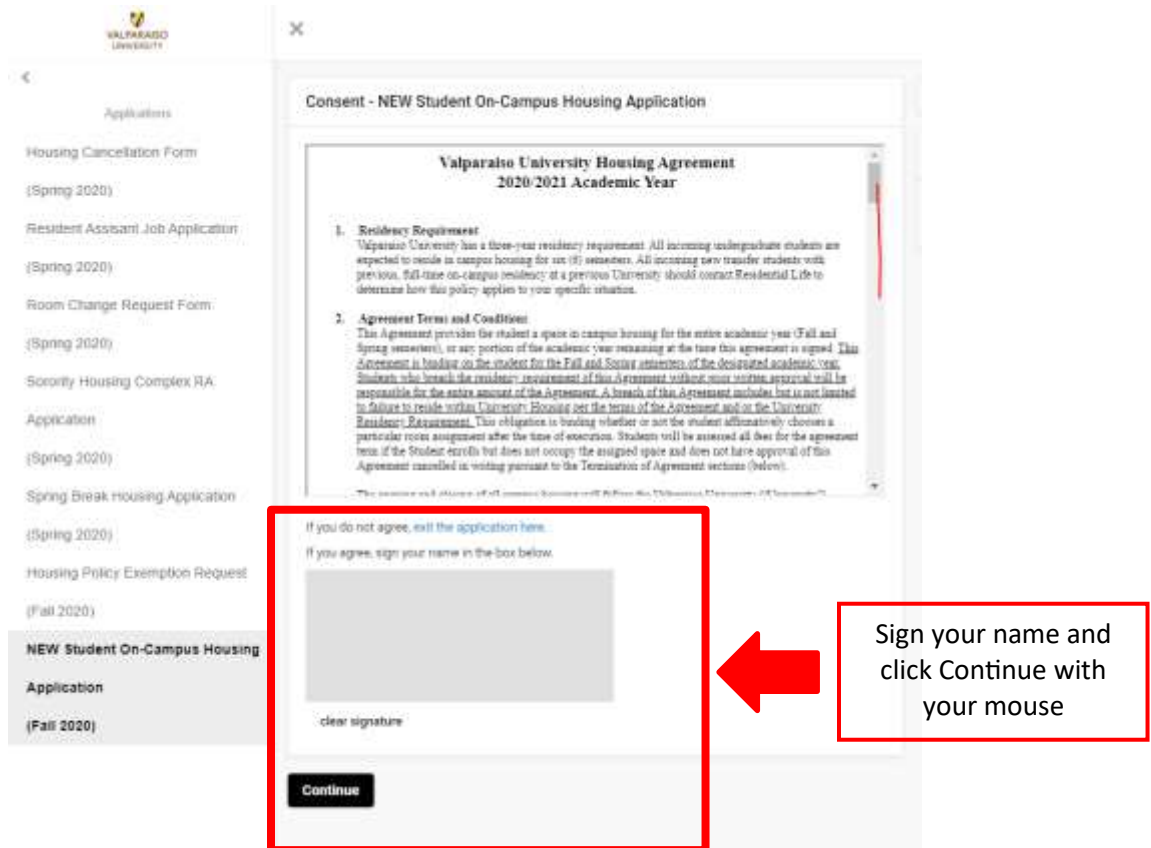

Step 1: Updating your Personal Information and Living Preferences

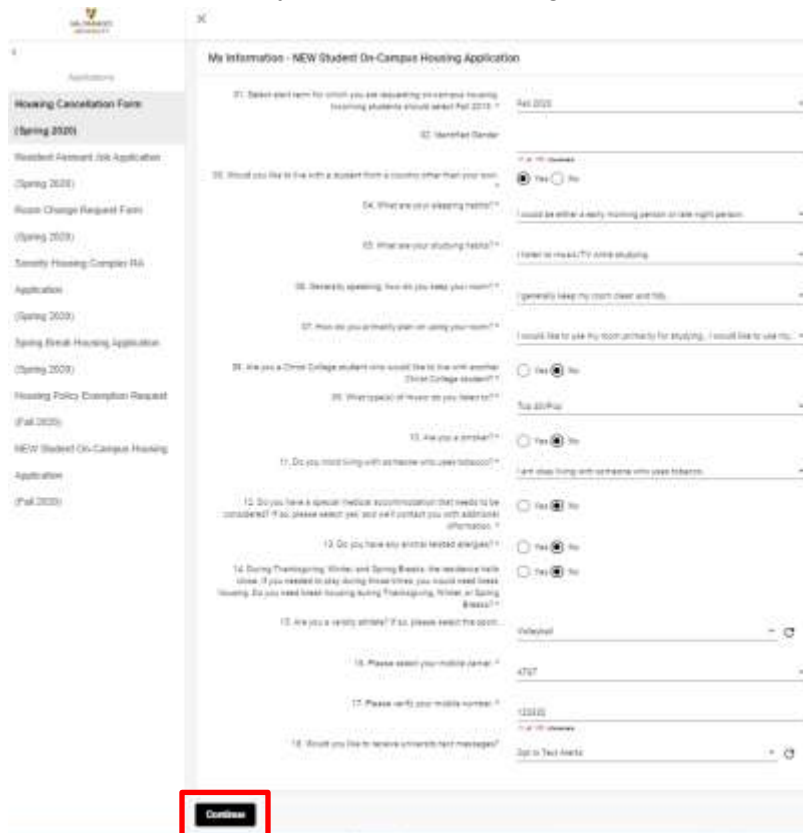

First, you'll need to update your living preferences on On-Campus Housing Application. This application is found by clicking on the "Applications" tab. Then, select "On-Campus Housing Application (Fall 2021)".

Upon entering the On-Campus Housing Application, you will see the Valparaiso University Office of Residential Life Housing Agreement. Read through this agreement, and scroll to the bottom and sign your name, and click "CONTINUE" to take you to the next step of the application.

You will then be sent to a screen that will collect your personal information, that will help you match with a roommate in the event that you do not have a specific roommate request. If you have a roommate in mind, you will still need to complete this section. When you complete this page click **“CONTINUE”** at the bottom.

Parental/Emergency Information

You will then be asked to provide the information of a parent and emergency contact. Your parent and emergency contact can be the same if you would like. Click on the pencils to the right of each contact type and fill in the appropriate information for each and click **“SAVE”**. **Make sure that both contacts are complete BEFORE** clicking **“CONTINUE”**.

If you are student under the age of 17, you will need to provide your parent email address. Your parent will then be sent a parental verification link and special code to enter.

Living Preferences

After clicking “**CONTINUE**”, you’ll then be able to make 3 living preferences. These living preferences should be one of the upper-class choices listed below. Please do not select the same living preference more than once. This does not guarantee your placement in any of these areas. It is important to have a back-up plan in case there is no availability in your preferred hall once your selection time arrives.

Upper-Class Choices
Hall Choices for Transfer Students
<ul style="list-style-type: none">• Alumni- SINGLE• Beacon (suite style with semi-private bathroom)• Guild (women-doubles, triples and quads community bathroom)• Memorial (men-doubles, triples and quads community bathroom)• Promenade Apartments (4 semesters on-campus & above)• Wehrenberg- DOUBLE (doubles, community bathroom)• Wehrenberg- SINGLE (doubles, community bathroom)• Sorority Housing Complex

Selecting Living Preferences

- In the Choice # Select 1 for your first choice.
- In the Request Type, select Hall Choice-Upperclass for residence hall options.
- From the list of options that populate, select your preference of Hall.

Once you select a living preference from the drop-down menu, you must click “**ADD**” for the living preference to be saved. You will then be prompted to add additional living preferences and you’ll need to click “**ADD**” after for each new living preference.

You will need to provide us with three living preferences.

Living Requests will show here after they are added from the drop-down menu below

Click “CONTINUE” to submit your application. You will then receive a confirmation page and your application is complete.

Click on the “HOME” button at the bottom of the confirmation page to take you to the main page where you can complete your roommate preferences.

Step 2: Requesting/Confirming a Roommate

To request or confirm a roommate request, click on “Select Roommates” under the “Room Selection” tab on the Housing Self-Service homepage. **However, you’ll only be able to select your roommate AFTER your desired roommate has also completed the On-Campus Housing Application.** After requesting your roommate, they will need to log back in and confirm you as a roommate.

After selecting the appropriate semester (Fall 2021), you'll be able to search for a desired roommate. If you have a roommate in mind you can search by their name. If you don't have a roommate in mind you can search based on criteria.

The screenshot shows a search interface with three main sections. At the top, a dropdown menu is set to "For the Term: Fall 2020". Below this are three rows of buttons, each with a red arrow pointing to a callout box:

- The first row has a button "Roommate Requests (0)" and a callout box "View MATCHED Roommate requests".
- The second row has a button "Pending Roommate Requests (0)" and a callout box "View the status of Roommate requests".
- The third row has a button "Search for Roommate" and a callout box "Search for Roommate based on Name or Criteria".

To search for a roommate by name or criteria click on "Search for Roommate". If you know your roommates name type it in the appropriate areas and click on "Begin Search" it will then populate your roommate based on their name. If you would like to live with that individual click "Request Roommate".

If you are unsure of who you would like to live with you can select a few items that you would like to find in a roommate. We suggest only selecting 1-3 living preferences that are really important to you so that you may have better results in finding a roommate.

The screenshot shows the search process and results. The top section is titled "Search for Roommate" and contains ten search criteria:

01. What is the FIRST NAME of your desired roommate? (Text input)
02. What is the LAST NAME of your desired roommate? (Text input, value: Pisallo)
03. Would you like to live with a student from a country other than your own? (Radio buttons: Yes, No, (no preference))
04. What are your sleeping habits? (Dropdown menu)
05. What are your studying habits? (Dropdown menu)
06. Generally speaking, how do you keep your room? (Dropdown menu)
07. How do you primarily plan on using your room? (Dropdown menu)
08. What type(s) of music do you listen to? (Dropdown menu)
09. Are you a smoker? (Radio buttons: Yes, No, (no preference))
10. Do you mind living with someone who uses tobacco? (Dropdown menu)

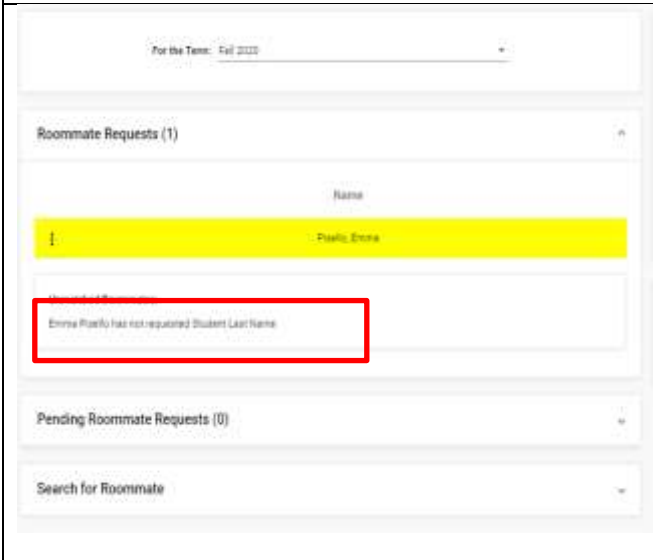

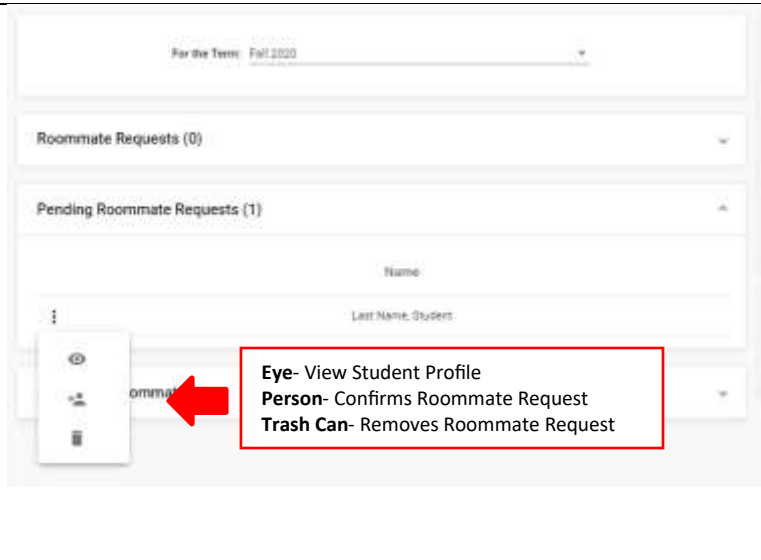

A "Begin Search" button is highlighted with a red box. Below the search criteria, the "Search Results (1)" section shows a list of preferences for a potential roommate:

- 02. What is the LAST NAME of your desired roommate? : Pisallo

A "Request Roommate" button is highlighted with a red box.

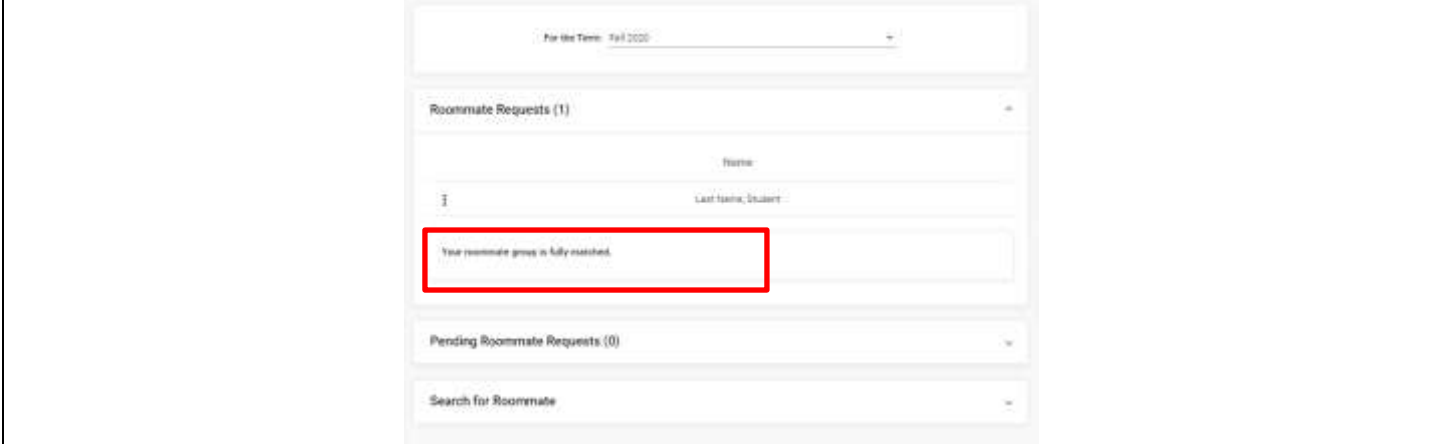

Pending Roommate Requests

If a person has requested you as a roommate, you need to accept or deny that request (similar to a Facebook friend request). If you remove a roommate, they will also receive that information in an email. First year students are only able to request one individual as a roommate.
