

Valparaiso University IACUC Incident Reporting Form

Through the Institutional Animal Care and Use Committee (IACUC), Valparaiso University conducts teaching and research using animals in accordance with the laws and regulations governing the ethical treatment of animals used in teaching and research. If you believe that animals used in teaching and research are not being treated ethically, please use this form to report the situation for review and investigation. You may be contacted for further information or clarifications or, if you prefer, you may submit this report anonymously. By reporting an incident or concern in good faith, you will be protected from reprisal.
