Immunization Exemptions

Medical Exemption

A physician or clinic offering immunizations must document valid medical exemptions. The exemption shall be for a medical contraindication in accordance with the recommendations of the Center for Disease Control Advisory Committee on Immunization practices.

The student must complete a Health Center Request for Exemption form. The form will be placed in the student’s permanent health record.

Also, The Valparaiso University Medical Exemption form stating the reason for the student’s medical exemption and whether it is permanent or temporary is required and must be submitted for the exemption to be valid and approved.

Religious Exemption

Religious exemptions to vaccinations are also accepted and must be submitted on the Health Center Request for Exemption form. The form will be placed in the student’s permanent health record.

Philosophical/Personal Belief Exemption

At this time, Indiana does not permit exemptions for philosophical/personal reasons.

Students who are approved for immunization exemption will be required to leave campus if an outbreak of any vaccine preventable diseases listed in IC 20-12-71 occurs on or near campus.

Students will not be reimbursed or compensated for lost class time incurred as a result of this leave of absence.

Students have the right to revoke the exemption at any time by providing required proof of immunization or immunity.

immunizations required by the State of Indiana. I have read and understand the policy
regarding exempt status. I understand that if there is an outbreak of a vaccine-preventable
disease on or near campus, that I will be immediately excluded from all campus activities
(classes, residence halls, work, extra curricular and co-curricular activities, etc.) upon notification
of any case of vaccine preventable communicable disease. I understand that I will not be
permitted to return to campus for any reason until cleared by the Health Center and the Porter
County Health Department to do so (a minimum of one period of communicability of the
disease). Further, I understand that the University is under no obligation to compensate me for
missed course work.
