**d/b/a Valparaiso University**

**Commuter Student Policy**

A commuter student is defined as a full-time, undergraduate student who lives exclusively in the permanent or primary residence of a parent or legal guardian within 25 miles of the Valparaiso University campus. This distance and qualifications may be reviewed and changed by the University at any time, and future eligibility may be changed. A student who otherwise would be required to live on campus, may not reside at another off-campus address after registering as a commuter student. Questions related to the Commuter Student Policy should be directed to the Office of Residential Life.
