

Financial Hardship Exemption

Financial Hardship Exemption Definition: The student has experienced a *recent* and *unforeseen* financial hardship that *significantly* impacts their ability to attend the University if not permitted to live off-campus. Financial savings is not considered a valid reason for financial hardship.

- Please note the underlined words, as they serve as the basis of criteria for a financial hardship exemption.

Please explain why you are applying for a housing exemption:

From your explanation, use this table to outline the change of circumstances you are experiencing and the specific documentation you provide to the committee to support this.

Change of Circumstance	Provided Documentation

Please outline your plans for housing. This could include:

- Off-campus or commute
- Transportation to campus
- How your new living arrangements would assist you with financial hardship
