Second Quarter Report of the 2020-2021 Academic Year

"Be gracious to me, O Lord, for I am languishing; O Lord, heal me, for my bones are shaking with terror. My soul also is struck with terror while you, O Lord - how long?" Psalm 6:2

Students are weary, so we are asking for support from faculty to be empathetic in these extremely trying times by taking a step into our shoes and seeing this semester from our perspectives. In a semester where students are collectively struggling, please consider giving additional accommodations.
