Dining Services Committee

For Immediate Release

FEBRUARY DINING SERVICES UPDATES

Dear Valpo Students,

The Dining Services Committee is happy to be back on campus and resuming our regularly scheduled meetings. These meetings are every other Friday from 2:30pm to 3:30pm over Zoom and are open to all students. Email Senator Billy Robinson for the Zoom link.

A new policy has been implemented at Founders where students must show the front of their OneCard to the cashier before swiping their card. This policy has been put in place to prevent students from stealing swipes from others. If you have any questions or concerns, feel free to reach out to dining@valpo.edu.

Parkhurst Dining has hired two new specialized chefs. Chef John Thang, from Kisui Sushi, is preparing sushi for students to enjoy. Chef Apryl Niksch, who previously owned a gluten-free bakery in Valpo, is now on campus preparing many gluten-free meals including cookies, pastries, and to go options in the Campus Café.

Parkhurst Dining would like to thank students for their comments and feedback throughout the year. To submit a comment or concern, fill out a comment card or speak with a staff member directly. If you have any immediate meal concerns, such as undercooked or cold food, please speak directly to a manager. In doing so, it will allow Parkhurst to pinpoint the problem right away and make sure that only the best quality food is served to students.

Sincerely,

Billy Robinson
Dining Services Committee Chair
