PRESIDENT PADILLA'S CABINET MEETING

Dear Valpo Students,

On Monday, October 4th, President Foor and Vice President Jacobs attended President Padilla's Cabinet Meeting. Here, they discussed Student Senate's current agenda, including a review of campus parking, Senate's co-sponsored We Matter Week Town Hall with BSO, and Senate's full review of our bylaws. The Cabinet members offered their assistance in these future projects. President Foor and Vice President Jacobs articulated that communication and transparency between the Administration and Student Senate should continue to grow; President Padilla's Cabinet agreed. Student Senate looks forward to continuing our communication and regular meetings with President Padilla and his Cabinet.

Sincerely,

Jolie Foor
