

SR002-SP22

**Resolution Calling for Sidewalks Connecting Mueller/ASB with Harre Union Walkways
and Parking Lot 20**

Sponsor: Sen. Flanagan, Sen. Howard, Sen. Williamson

Under the Advisory of: Vice President Jacobs

WHEREAS there is a crosswalk extending from Parking Lot 21, between Mueller Hall and the Arts and Sciences Building, across the road towards Parking Lot 20, ultimately leading to Linwood House,

WHEREAS there is no sidewalk between Parking Lot 20 and the place where the crosswalk turns towards Linwood House, as seen in Figure 1 below,

WHEREAS there is currently no direct path between the Harre Union Walkways and the intersection of the walkways between Guild Memorial, Mueller Hall, and the Arts and Sciences Building, as seen in Figure 1 below,

WHEREAS students regularly cut across the space between the sidewalk and Parking Lot 20, beating a track through the snow during the winter,

WHEREAS students also regularly cut across the space between the intersection of the GM/Mueller/ASB walkways and the Harre Union walkways, either beating a track through the snow during the winter or walking through a muddy area created by the area being cleared for safety,

WHEREAS these makeshift paths present a safety risk with at least one student having fallen on an icy patch,

LET IT BE RESOLVED by the Valparaiso University Student Senate here assembled that the University executes the following actions:

1. That University Facilities Management will look into installing a sidewalk between Parking Lot 20 and the crosswalk between Lot 21 and Linwood House, emboldened in Figure 2 below.
2. That University Facilities Management will look into installing a sidewalk between the intersection of the GM/Mueller/ASB walkways and the Harre Union walkways, emboldened in Figure 2 below.
