TRANSFER AGREEMENT

Transfer Agreement

Ivy Tech Community College (ITCC) graduates earning an Associate of Science (AS) Business degree from any Ivy Tech campus, may transfer 60 credit hours from that completed degree to meet the requirements for Valparaiso University's Bachelor of Science in Business Administration (VU CoB - BSBA).

Addendum One: Ivy Tech Community College Curriculum

Consists of Associate of Science School of Business Course Requirements

Addendum Two: Course Requirements for Transfer Details

This includes course requirements for this transfer agreement, including the remaining courses required by the VU CoB to fulfill the baccalaureate degree requirements. If listed, a sample semester sequence is included.

Additionally, under the terms of this agreement:

1. Ivy Tech students graduating with an A.S. degree in Business are eligible for admission with junior standing to Valparaiso University provided:
 - a. The student has submitted a complete application for admission to Valparaiso University.
 - b. A course grade of "C" or better must be earned to be accepted for transfer.
 - c. The student has a 3.0 or higher-grade point average on a 4-point scale.
2. As ITCC graduates complete the credit hour requirements for the award of the BS degree in Business Administration, they must meet the graduation requirements as approved by Valparaiso University at the time of the student's admission to the appropriate degree program.
3. Written notice of intention to terminate, modify, or withdraw from this Articulation Agreement will be submitted by the academic head of either institution at least one academic semester prior to the proposed date of termination/withdrawal. Should a decision be made to modify or dissolve this agreement, students who are already attending Valparaiso University at the time will be permitted to continue as long as their academic performance remains in good standing.
4. Recognizing that changes in curricula and course content are inevitable, each institution agrees to discuss with the other institution all curriculum changes affecting this agreement before the changes are implemented.

Agreed to _____ (date)

Ivy Tech Community College

Dean McCurdy, Ph.D.
Interim Provost and Senior Vice President
of Academic Affairs

Russell Baker, Ed.D.
Assistant Vice President for
Academic Career and Technical Programs

Lora Plank, DHS
Vice Chancellor of Academic Affairs
and Student Success

President

Eric W. Johnson, Ph.D.
Provost and Executive Vice President for
Academic Affairs

Niclas Erhardt, Ph.D.
Dean, College of Business

Addendum One: Ivy Tech Community College Curriculum

School of Business

2022-2023

FULL-TIME SEQUENCE

Columbus - Evansville - Fort Wayne - Indianapolis - Lafayette - South Bend - Valparaiso - Warsaw

The following suggested sequence includes all course requirements for this degree. You must consult with an academic advisor to determine which Transfer Cluster Electives should be chosen to receive the maximum credit at the receiving college or university.

Semester 1 (Terms 1 and 2)

IVYT 111	Student Success for University Transfer	1 Credit
BUSN 101	Introduction to Business	3 Credits
ENGL-111	English Composition	3 Credits
BUSN-105	Principles of Management	3 Credits
ACCT-101	Financial Accounting	3 Credits
BUSN-201	Business Law	3 Credits
Semester Total		16 Credits

Semester 2 (Terms 3 and 4)

BOAT-207	Integrated Microsoft Office Applications	3 Credits
MATH-135	Finite Math	3 Credits
ACCT-102	Managerial Accounting	3 Credits
BUSN-207	Introduction to International Business	3 Credits
PSYC-101	Introduction to Psychology	3 Credits
Semester Total		15 Credits

Semester 3 (Terms 5 and 6)

MATH-201	Brief Calculus	3 Credits
COMM-101	Fundamentals of Public Speaking	3 Credits
LIFE/SCIN	Scientific Ways of Knowing Elective	3-4 Credits
ECON 201	Principles of Macroeconomics	3 Credits
PHIL 102	Introduction to Ethics	3 Credits
Semester Total		15-16 Credits

Semester 4 (Terms 7 and 8)

ECON 202	Principles of Microeconomics	3 Credits
BOAT 216	Business Communication	3 Credits
BUSN 230	Business Statistics	3 Credits
LIFE/SCIN	Scientific Ways of Knowing Elective	3-4 Credits
BUSI 279	School of Business Evaluation and Professional Development	2 Credits

Semester Total
